

Proposed WINDOG Fee Schedule – Effective January 2015

- Large off-leash area stewardship groups with more than 250 members - \$ 250
- Mid-size off-leash area stewardship groups with 100 to 250 members - \$100
- Small off-leash area stewardship groups with 25 to 100 members - \$25

Rationale

- Bearing in mind that the fees that member clubs pay to WINDOG come from individuals who are their members as well as the work of sponsors and volunteers who support the clubs' fundraising activities, WINDOG's fee structure is designed to cover only the organization's basic operating expenses, which are estimated to approximately \$500 in 2014.
- The fee formula is 10% of the number of members at the low end of the threshold for each of the three tiers. Fees are capped at \$250 to encourage clubs to grow their membership.
-
